MESSAGE FROM MR REID

I am delighted to announce that our **SWIMMING POOL IS NOW OPEN** and some year groups have begun swimming again this week. It has been wonderful to see how excited the children (and staff) have been to be able to swim again.

Whilst being unable to swim we have taken the opportunity to complete some much needed **INVESTMENT AND MAINTENANCE** on our forty year old pool. It has been lined which has solved the issues we had with leaks. We have replaced the boiler, purchased a new cover and installed new handrails. This work has hopefully future proofed the pool for the next ten years.

Having a pool is such a **FANTASTIC RESOURCE** and enables us to **ensure all children leave Amherst being able to swim**. A critical life skill. I look forward to hearing and seeing the children's enjoyment from swimming lessons between now and the end of term!
